## Sacramento Archeological Society, Inc.

Presents

### “California Lithic Tools and Flint Knapping”

by

**Chuck Kritzon**

Maidu Interpretive Center staff member and Material Culture specialist

June 30, 2007 from 4:00 to 6:00 pm

at

Maidu Interpretive Center

1960 Johnson Ranch Drive, Roseville, CA 95661

**Chuck Kritzon** will speak on native California tool technology on June 30th **from 4:00 to 6:00 PM** at the **Maidu Interpretive Center**. Chuck Kritzon will discuss lithic tools and flint knapping. An

opportunity for hands-on flint knapping will be offered at a “Flint knapping Workshop” on July 14<sup>th</sup>. For more information contact Lydia Peake, 916-371-6391.

Chuck is a primitive skills technologist with over 14+ years experience with the California Indian community. He is a longtime member of the Society of Primitive Technology and owns a business in Roseville called "Petroglyphics".

Don't miss the opportunity to visit the Center and hear a first class lecture on native California tool technology. For more information contact the **Maidu Interpretive Center** at (916) 774-5934 or (916) 772-6161 [fax].

## **Sacramento Archeological Society, Inc.**

Presents

### **“Flint Knapping Workshop”**

by

**Chuck Kritzon**

Maidu Interpretive Center Staff Member and Material Culture Specialist

July 14, 2007 from 4:00 to 7:00 pm

at

**2951 Redwood Avenue**

West Sacramento, CA 95691

**Chuck Kritzon** will demonstrate techniques for flint knapping obsidian on July 15th **from 4:00 to 6:00 pm** at the home of Roger and Lydia Peake at 2951 Redwood Avenue, West Sacramento. Up to 12 attendees will have the opportunity to try flint knapping and sculpt pieces of obsidian. Chuck Kritzon will provide the materials. Attendees are expected to provide and wear **eye protection, long pants, long sleeve shirt, leather gloves, and a hat**. After the workshop join participants in a **potluck**. Bring the **dish of your choice**.

Chuck is a primitive skills technologist with over 14+ years experience with the California Indian community. He is a longtime member of the Society of Primitive Technology and owns a business in Roseville called "Petroglyphics".

Don't miss the opportunity to learn about flint knapping. To register for this activity and obtain more information **contact the Lydia Peake** at (916) 371-6391. The activity is limited to 12 participants on a **first come basis**.

## **Sacramento Archeological Society, Inc.**

Presents

### **“Jordan – Past and Present”**

by

**Daniel Burke**

**Youth Participant in Tall al-Hamman Archeological Dig**

July 19, 2007 from 7:30 to 9:00 pm

at

505 Cleveland Court, Davis, CA 95616

**Daniel Burke**, a recent high school graduate with an interest in archeology will speak on his experiences at an excavation at Tall al-Hamman Jordan. Daniel participated in an archeological dig in January 2007 for about 11 days. Excavation began at the site last year. This year digging proceeded to iron age and middle bronze periods. Daniel will discuss the finds. He also had the opportunity to visit historical sights in Jordan such as Petra. He will show pictures from Tall al-Hamman as well as from his travels.

The presentation will be **Thursday, July 19 from 7:30 to 9:00 p.m.** at the home of Jan and Tom Johansen at 505 Cleveland Court, Davis.

Don't miss the opportunity to hear about Daniel's experiences in Jordan. For more information contact Jan Johansen at 530-756-6970.
